

PETITION

To Ban Consumer Fireworks

We the undersigned respectfully request the Assembly of the City and Borough of Juneau to ban the use and sale of consumer fireworks within the borough in order to protect dogs and other pets from needless fear, anxiety, and trauma.

Fireworks are a source of major stress and anxiety for a large number of dogs and other animals in Juneau. If you have or know a dog or other pet that is sensitive to fireworks, you have seen the fear, anxiety, and trauma that pets suffer every year around the Fourth of July. Consumer fireworks are now legal to use in Juneau year round without restriction. The unregulated, year round use of consumer fireworks in Juneau threatens the well-being of family pets and companions throughout the community.

Collected signatures will be presented to the Assembly of the City and Borough of Juneau. For more information regarding this petition please contact George Utermohle at 586-3849. Please return this petition to George Utermohle, c/o Grateful Dogs of Juneau, P.O. Box 20887, Juneau, AK 99802.
